

MULTIPLY AUSTRALIA

MULTIPLY. THE WORD. DISCIPLES. CHURCHES.

Acts 6:7

2 September 2025

Dear Family, Friends, and Supporters,

DARK DAYS, BIG BLESSINGS: the last three months were dark but also blessed, dark because we had issues leading to an early miscarriage one day before the Grand Opening service as well as some other difficulties but blessed because God showed Himself strong and deepened our devotion to and trust in Him. He also brought people to us at the right time to encourage and support like Ira's brother and sister-in-law who came to visit for a weekend, a mission team from Pensacola Christian College, and Mr. and Mrs. Rowland (BCPM) and Pastor and Mrs. Zacharias from Campus Church who came for the opening services. Also, a number of Ira's family and church friends from Sydney came to support the opening and some even before and after. After the opening, a friend came down from Sydney and played piano and sang for us. All of these visits were timely blessings. Ira is feeling well but will need **surgery** to remove a fibroid that could complicate future pregnancies. We are praying we can schedule the surgery soon.

We are thankful for the Grand Opening of Graceway Baptist Church in Footscray, VIC! Several churches came to help us distribute thousands of John and Romans booklets and invitations as well as support our opening services. Our community night saw **six visitors** from the community. Our music concert was packed with at least **seven visitors**, and our opening services were well attended with 48 in the morning and 50+ in the evening.

There were a number of visitors at the Grand opening morning service but **two** that I met from the immediate community. One has been faithful since the opening and has been meeting regularly with me. He has a church background, and I have been talking to him regarding assurance of salvation, etc. Please pray that **Andrew** will have assurance of salvation and be willing to get baptised! Aussies are slow to make big decisions. I respect the seriousness with which they approach these decisions, but I pray that they won't put decisions off indefinitely.

We are also thankful for several blessings. There were the opportunities to minister to a **youth camp in Fiji** 21-23 August at Glory Gate Baptist Church and to host our Bhuddist neighbours from Tibet for dinner. I was able to share some truths about Christianity with Palden, the father. Please pray for his understanding of the gospel and Christian worldview. Last Sunday, we had a Fijian family visit Graceway who knew some of the pastors and kids in Fiji where we had just been a week before. What a small world!

Kind regards,

Joshua and Ira Zacharias
